NJMS ARTICLE PUBLISHING FEE:

Thank you very much for your interest in your own journal **NJMS**.

Nepal Journal of Medical Sciences (NJMS) is an open access publication, so is freely available online. The cost on publishing print as well as online editions, and the cost on distribution and especially on foreign mail is increasing day by day. The journal management committee acknowledges the difficulties faced by the authors, but to ensure continuous appearance of the journal, has decided to charge minimal fee from the authors after the article is accepted for publication with effect from 01 December 2017 as follows;

PUBLISHING FEE:

- **Original Article Fee:** Overseas authors: $50; Inland authors: NPR. 3000.00
- **Other Articles Fee:** Overseas authors: $10; Inland authors: NPR. 1000.00
- **Courier charges Extra which should be paid by the Author if Hard copy is required.**
- Must be accompanied with proof of payment of the prescribed fee.
- Detailed information about how to transfer the fee will be sent on request.
